# Personalized Emissions Testing Tailored to Your Company's Data

Analyze your company's carbon footprint with custom emissions tests based on your unique data, providing actionable insights for targeted sustainability improvements.

The diagram illustrates the ECO MUND platform's data entry and analysis process. It consists of two main sections separated by a large blue arrow pointing from left to right.

**Left Section (Data Entry):**

- Header:** ECO MUND 🌎, Dashboard, Leaderboard, Case studies, News and insights, Contact us, Test my company, Login.
- Step Counter:** 1 Configuration, 2 Energy Usage, 3 Water Usage, 4 Production Data, 5 Transportation, 6 Waste Management, 7 Employee Count & Revenue.
- Section Header:** Power Up Your Efficiency!
- Description:** Help us understand your energy consumption to power up efficiency. Just a few questions on electricity and fuel usage.
- Form Fields:** Company name (input: Pri), Industry (dropdown: Select the industry your company operates in), Import method (dropdown: Select a method to import your data onto the platform, options: Fill out our form, Upload an Excel file).
- Buttons:** Let's get started !

**Right Section (Analysis Result):**

- Header:** ECO MUND 🌎, Dashboard, Leaderboard, Case studies, News and insights, Contact us, Test my company, Login.
- Data Status:** Configuration (green checkmark), Energy Usage (green checkmark), Water Usage (green checkmark), Production Data (green checkmark), Transportation (green checkmark), Waste Management (green checkmark), Employee Count & Revenue (green checkmark).
- Message:** Congratulations, You're All Set!
- Eco Score Summary:** 78/100
- Description:** Your company is making good progress in sustainability but has room for improvement!
- Your Badges:** Waste Warrior, Eco Fleet, Water Saver.
- General Insights:** Improve Energy Efficiency, Reduce Waste, Conserve Water, Optimize Transportation, Source Sustainably, Engage Employees, Track Your Impact, Offset Emissions.
- Call-to-Action:** Unlock Your Path to a Greener Future! Create an account now to receive personalized insights on improving your emission score and rise to the top of the Clean 500.
- Buttons:** Get Started!

# Track Your Progress with Ease

Create an account to access all your past entries and generate insightful dashboards to monitor your emissions over time

# Enhanced Support

Personalized guidance from Eco-Ten or our network of experts.

The screenshot shows the ECO MUND web application interface. At the top, there is a navigation bar with links: ECO MUND (with a globe icon), Dashboard, Leaderboard, Case studies, News and insights, and Contact us. On the far right, there is a user profile icon for 'Lilya' and a 'Test my company' button.

The main content area starts with a greeting: "Hi Lilya !". Below it, a message encourages users to "Dive into your data, track your impact, and see how you're contributing to a cleaner future with Eco Mundo." To the right of this message is a "Test my company" button.

On the left, there is a sidebar menu with the following options:

- Menu
- Account dashboard
- Connect data Sources
- [Request assistance](#) (highlighted in blue)
- Account information
- Security and confidentiality
- [Logout](#)

To the right of the sidebar is a section titled "Chat with our Assistant - ECO TEN". It includes a message from "ECO TEN": "Hi, I'd be happy to assist you. Would you like to use the virtual assistant, or would you prefer to get in touch with one of our professionals? The average wait time is 2 days." Below this message is a "Select a method" dropdown menu with two options: "Use the virtual assistant" (selected) and "Get in touch with one of a professional".

At the bottom of the page, there is a text input field with a placeholder "+ Type your message" and a send button icon. The footer contains the ECOMUNDO logo, copyright information ("©2024 ECOMUNDO. All Rights are reserved"), and links to "Terms and conditions" and "Privacy policy".

# Seamless Integration
